## Ashlynn Schlegel

### Lakeside Junior High School- Age 13

Ashlynn is most admired for her ability to make others feel at ease and her genuinely kind nature. She is kind and helpful to everyone with whom she interacts. She is a leader who compliments and values the abilities of her teammates, versus pushing to be in the spotlight or downplaying other's strengths.

Ashlynn is a member of the Lakeside Junior High Student Council, and participates in several school fundraisers throughout the year- most recently raising more than \$2,000 for a peer who is undergoing cancer treatment. In addition to her community involvement, Ashlynn is enrolled in advanced classes, maintains straight-As, and is in the 7th grade band, CSI (Crime Scenes Investigations through Language Arts), STEM (an advanced science and math class), and is a key player on the Junior High girls' basketball team.

Ashlynn also belongs to and attends the afterschool MGC Club, and Making Good Choices- a program that encourages students to create positive change in their school, as well as pursue personal growth for themselves. Ashlynn is innovative, clever, and creative in her approach to solving problems, and is respected by her peers and teachers for her reliability and optimistic attitude!
