## **Baylee Fogus**

### **Pymatuning Valley Local School District- Age 14**

Baylee has grown her confidence to become a standout leader at Pymatuning Valley High School. Baylee is heavily involved in many activities at school, and is a member of the volleyball, swim, and softball teams. Baylee also participates in marching band, show choir, the high school musical, and is an active participant of 4-H. Baily balances all of her extracurricular activities while also maintaining excellent grades and is a straight-A student.

Despite her busy schedule, Baylee is always willing to volunteer her time to help make the school and school district a better place for her classmates and educators. During the 2021-22 school year, Baylee was quick to volunteer and was selected to help create the 2022-23 school calendar. She was extremely insightful in her suggestions and solutions, developing a calendar that greatly benefited her peers. Baylee helped to nudge the start of the school year to begin one full week after the Ashtabula County Fair, which allows 4-H and FFA students and families time to regroup after a busy few weeks preparing for the fair, as well as allowing other students an additional week to work their summer jobs.

Baylee was also selected to be a part of an interview committee for a new high school principal. During the interview process, Baylee impressed the nominees and committee members with her phenomenal questions. Baylee has a natural ability to understand and relate to others, and is known for her empathy, quick smile, and resiliency in tough situations. Baylee aspires to become a pilot, and is working hard to accomplish her personal goals!
