

**SAM GORFORTH**  
AGE 18/GRAND VALLEY HIGH

Samuel consistently demonstrates leadership at Grand Valley High School as captain of the football and basketball teams, Senior Class Vice President, and FFA Chapter Reporter. Samuel excels outside the classroom as well. He finds time and values the opportunity to give back through volunteer work, contributing to events such as the FFA Fair setup, the FFA Farm Bureau Dinner, Feed the Hope, FFA book drive, and toy drive (which he helped organize).

Thanks to his participation in the FFA program throughout high school, Samuel has become an excellent welder. He is also a skilled chef. Samuel's drive, leadership, and community spirit will undoubtedly lead to success in college and beyond. The lessons he has learned at Grand Valley through extracurricular activities, volunteer work, FFA, and academics will continue to guide him throughout his life.
