

JA STOCK MARKET CHALLENGE

Junior
Achievement™
of Eastern Ohio

October 17, 2025

9:00 AM-12:30 PM

Grades 9-12

YSU WCBA

Overseen by industry professionals, students will work in groups of 3-4 to practice buying and selling stocks in a stock market simulation. This high-energy event is designed to emulate the excitement of a real trading floor!

In this learning experience, students will:

- Discover how current events impact the stock market
- Learn about the importance of diversified investments
- Practice buying and selling stocks in a stock market simulation
- Explore the risks associated with the stock market

OPTIONAL: Teachers may choose to implement JA Take Stock in My Future, a program consisting of 4 supplemental sessions to offer students a more comprehensive understanding of the stock market.

Participation in this event and access to the educational program are **FREE!**
