

ADDELYN SHEPPARD

*Age 15
Geneva High School*

Addelyn does an excellent job juggling school, sports, work, clubs, and volunteering, and is considered a positive role model to many young girls in Ashtabula County. She also carries a 4.1 GPA.

When Addelyn isn't behind home plate as a member of the Geneva High School Varsity softball team, or for the 16U Chardon Storm travel softball team, she is promoting the sport and giving lessons to the next wave of softball players in her area. Addelyn also plays volleyball for Geneva.

Addelyn is active in school clubs as well, and can be credited for helping with the planning and preparation of the annual homecoming dance. This experience comes in handy for her summer job of working at Running Horse Farm, a popular event venue in Geneva. She is also a camp counselor and volunteer instructor at the Rabbit Run Community Arts Center, where she teaches children to sing and dance during their summer camps. Although spare time is sparse for Addelyn, she still finds time to help at many Harpersfield community events, especially those for the Harpersfield Fire Department.
