

NATALIE WOOD

Age 18 Conneaut High School

Natalie is a natural leader and eagerly, and confidently, takes a leadership role in everything she does.

Natalie is the president of the National Honor Society at Conneaut High School and captain of the cross-country team. She is viewed as trustworthy, dependable, and a great teammate who always offers positive reinforcement and guidance. Her ability to lead and accomplish tasks also led to her being a section leader in the school band. Her love for band carries over into the countless volunteer hours she gives teaching the fifth-grade band members their music.

Natalie knows the importance of being a valuable and contributing member of her community. She has been involved with the Conneaut Creek Clean Up Day since she was in fourth grade. She also sells merchandise in the PX tent during D-Day Conneaut, and has raised valuable funds for several local nonprofit organizations as well as volunteering at several local blood drives.

Natalie is also a reliable and hardworking employee at Waldameer Water World in Erie, PA. Her ability to learn skills quickly, manage her time, and be flexible while remaining positive helps her as they move her around to various stations throughout the summer.

Despite being a very busy young woman, Natalie is able to manage her after-school commitments, athletics, employment, and volunteerism, and have a 4.0 GPA.
